## DESCRIPTION

M Beacons Place is a modern, covered mall constructed in 2003 – providing 13 retail units at ground floor with ancillary accommodation above. The modern design provides excellent natural light through large atriums and flexible units that can be adjusted according to tenant demand.

The centre has two entrances. One with prime frontage on to the pedestrianised section of the High Street – facing Market Square – the second immediately next to Tesco Extra and the 500-space car park.

## DEMOGRAPHICS & TOURISM

Merthyr Tydfil has an urban population of 60,000 and a primary retail catchment of 76,000. However, as the administrative and commercial “capital” of the Valleys Area - the town draws on a much larger shopper population.

Being just 24 miles north of Cardiff – Merthyr Tydfil also acts as a commuter town. The majority of the employment in the town itself is based within the public sector, manufacturing and the retail/service sectors.

The town also benefits from being immediately next to The Brecon Beacons National Park – which attracts over 4.4 million visits per annum.

## SERVICE CHARGE & INSURANCE

The units participate in a service charge scheme. The Landlord will insure the premises, the premiums to be recovered from the tenant.

## SERVICES

The units have electricity and water connected.

## LEGAL COSTS

Each party is responsible for their own legal costs in connection with the granting of a lease.

## ENERGY PERFORMANCE

C. Further information available on request.

## PLANNING

An incoming tenant must satisfy themselves that their proposed use is acceptable to the Local Planning Authority.
